

"Dedicated to Service and Protection"

INTRODUCTION

The North Canton Police Department is a full-time professional law enforcement organization providing 24-hour service to the citizens of North Canton. Chief of Police Michael J. Grimes commands the Department. His Administrative Assistant and six Lieutenants assist him. Five Lieutenants are assigned to the Uniformed Patrol Division and one to the Detective Bureau. The Uniformed Patrol Division is comprised of eighteen full-time Patrol Officers and three part-time Officers. The Department has maintained its current full-time uniformed staffing level of 25 since 1996. At the same time the City has grown, the population increased and our duties expanded. There is currently one full-time Officer assigned to the DARE program and one assigned to the Detective Bureau. Additional Patrol Officers are assigned to the Detective bureau temporarily as needed. In addition to their normal patrol duties several officers are assigned to special units within the Department. These include the School Resource Officer, the Special Response Team members, Bike Patrol Officers, Department Training Officers and Field Training Officers.

The Department operates a 24-hour Dispatch Center. It is comprised of a Chief Dispatcher, six full-time Dispatchers, and two part-time Dispatchers. In addition to the Police Department the Center also handles dispatch responsibilities for the North Canton Fire Department, and North Canton Emergency Medical Service.

The Department is responsible for providing Crossing Guards at various intersections around the City. There are currently seven regular and four substitute crossing guards who handle this important task.

The Department has a Juvenile Diversion Counselor who works with troubled youths and their families. He acts as a liaison between them, the Department, Juvenile Court and the School System.

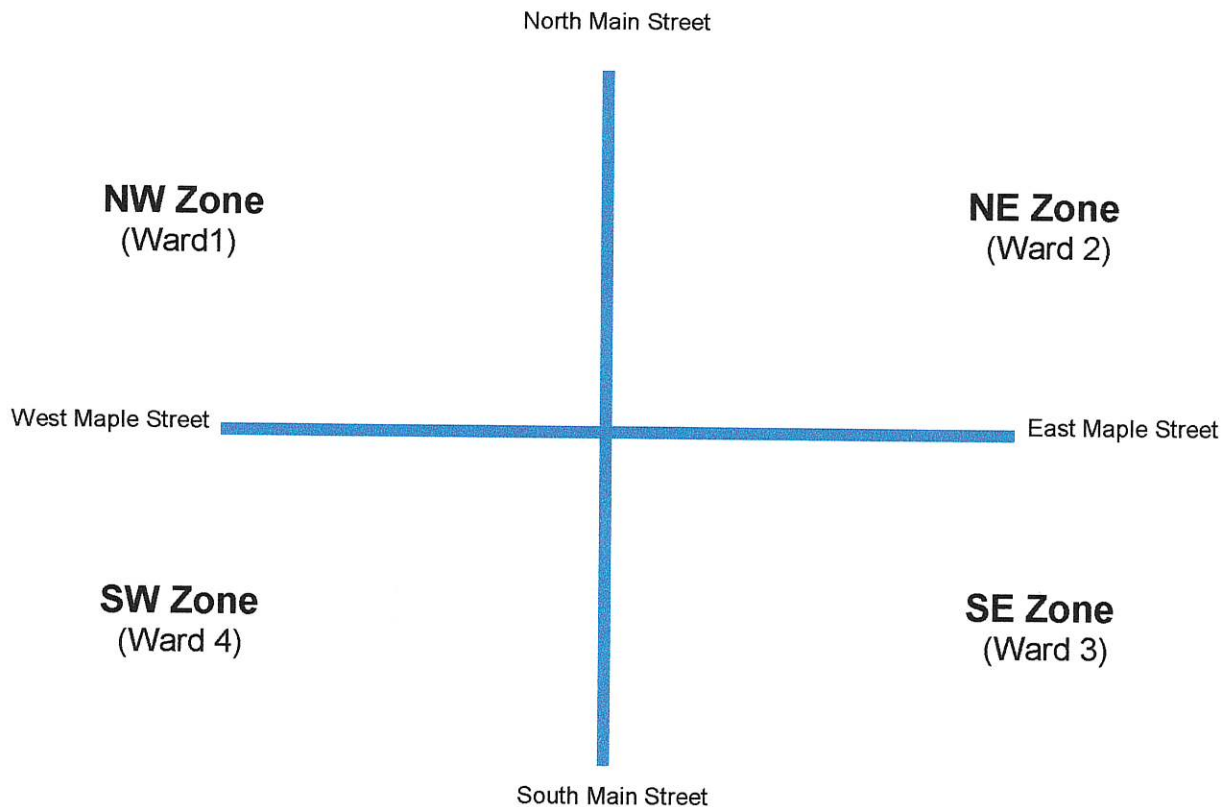

The contents of this report represent only a small fraction of the work done by the members of the Department, on a daily basis. We strive to give the best possible service to the community. Working together with the other City Departments and with the support of the City Government and Administration, the citizens of North Canton are in very good hands.

N C P D

"Honoring Our Past....Committed To The Future"

POLICE ZONES FOR DATA REFERENCE

For patrol and statistical purposes the city is divided up into four quadrants or zones. These zones match the street name direction designators to keep things simple. Depending on the shift and manpower there can be one patrol car assigned to each zone. At the minimum there will be a patrol car assigned to patrol both northern zones and one assigned to patrol both southern zones. In addition to the zone cars, there will be a floating car, which will randomly patrol all four zones. Additional cars can be assigned to special patrol duties such as traffic enforcement, neighborhoods, accidents, etc. The Department also employs a bicycle patrol to supplement the normal cruiser based patrol.

MAJOR CRIMES FOR THE CITY OF NORTH CANTON

Year	Murder	Rape	Robbery	Assault	Burglary	Larceny	Vehicle Theft	Arson
1995	0	8	7	31	54	219	12	2
1996	0	5	6	46	64	254	12	2
1997	0	7	8	31	50	288	13	3
1998	0	6	2	47	68	276	10	2
1999	0	5	4	47	67	293	8	1
2000	0	7	7	37	54	346	5	3
2001	0	3	8	32	38	367	3	8
2002	0	6	10	37	46	373	15	5
2003	2	7	9	46	50	389	6	0
2004	0	4	5	37	45	386	14	3
2005	0	4	7	34	40	332	7	0

The incidence of major crimes committed in the City in 2005 dropped in all categories with the exception of robbery and rape.

We have seen an increase in the number of larcenies over the past several years. This can be partially attributed to the increase of the number of retail businesses in the City. This has increased the number of shoplifting calls. Many stores have improved their loss prevention techniques and are proceeding with criminal prosecutions on a regular basis.

Criminal Charges and Individual Arrests

Criminal charges are the actual filing of one or more criminal complaints with the court against a person usually in conjunction with the physical arrest of that person. Traffic citations are generally not considered arrest charges. The only exception is an arrest for operating a vehicle under the influence of alcohol/drugs (OVI), which is filed on a traffic citation. In 2005 there were **692** total criminal charges filed by the Police Department. Of those **554** were filed against adults and **138** filed against juveniles. There were **483** individuals arrested in 2005. Including a total of **383** adult arrests and **100** juvenile arrests. Some of these people were charged with multiple offenses.

CRIMINAL CHARGES FILED

Year	Total Charges	Adult Charges	Juvenile Charges
2001	696	525	171
2002	565	444	121
2003	607	453	154

2005	Drug Offenses 22	Unruly 17	Liquor Offenses 15	Receiving Stolen Property 11	Theft 10

Criminal Charges and Prosecution

When charges are filed against an adult that person can either be arrested and incarcerated at the Stark County Jail or issued a summons and released. This depends on the type and seriousness of the offense. The Police Department utilizes the North Canton Mayor's Court, the Canton Municipal Court, and the Stark County Common Pleas Court to prosecute criminal offenses. Mayor's Court can only try cases that involve violations of the Codified Ordinances of the City of North Canton. The Canton Municipal Court can try cases involving violations of both North Canton City Ordinances and the Ohio Revised Code. The Stark County Common Pleas Court handles felony violations of the Ohio Revised Code.

When charges are filed against a juvenile they can either be arrested and incarcerated at the Multi-County Juvenile Attention Center or sign a Promise to Appear form and be released to a parent /guardian. The Stark County Family Court – Juvenile Division has exclusive jurisdiction to try all juvenile cases.

Offense Reports

There were 1686 criminal offenses reported in 2005. A decrease over the 1704 reported in 2004.

<u>Offense</u>	<u>2001</u>	<u>2002</u>	<u>2003</u>	<u>2004</u>	<u>2005</u>

Drug Offenses	55	51	62	81	83

When any offense is reported a Patrol Officer is dispatched and conducts the initial inquiry into the incident. Based on that, further action is taken which can include documentation on a Call For Service, beginning a preliminary criminal report-investigation, interviews, evidence collection / preservation, taking witness statements, on-scene arrests, scene preservation for additional investigators and other options. Follow-up investigation can be done by the initial officer, the Detective Bureau; other outside law enforcement agencies, non-law enforcement agencies, or in many cases a combination of two or more.

Detective Bureau

There are currently two Officers assigned to the Detective Bureau on a full-time basis, one Lieutenant and one Patrolman. Additional Patrolmen are temporarily assigned on an as-needed basis. During 2005 four different full-time patrol officers worked in the detective bureau on temporary assignment.

In addition to investigating criminal offenses they collect crime scene evidence, transport evidence to the crime lab, handle the Crime Watch program, conduct neighborhood surveys following criminal activity, and maintain a liaison with other Departments and businesses. They conduct background investigations on candidates for hire and conduct internal investigations, at the direction of the Chief.

During 2005 the detective bureau investigated several notable cases. One fraud case involved more than thirty victims. The perpetrator in that case was eventually charged and convicted of felony theft after being extradited from Florida. There were also two cases involving child pornography. In one case the detectives assisted the U.S. Postal Service and U.S. Customs Service in executing a Federal search warrant. The suspect in that case subsequently faced Federal charges. A second case handled by the detectives resulted in a felony conviction against an offender involved with child pornography. A final noteworthy case was the investigation of the rape of a four-year-old girl. In that case a juvenile suspect was eventually charged and convicted.

Their overall case clearance rate for 2005 was 37%, which is well above the national average of 16.5%* for property crimes.

*Based on the most current available data, 2004 FBI UCR

Detective Bureau Statistics

Year	Total Investigations	Criminal Investigations	Total Criminal Charges Filed	Individuals Criminally Charged	Clearance Rate %
1999*	236	187	57	49	50.80
2000	234	204	50	40	39.21

2004	212	184	86	49	39.13
2005	163	132	48	39	37.12

* 1999 is the first year which the Detective Bureau began maintaining statistical data on their cases.

Traffic Citations – Written Warnings – Parking Tickets

A citation can be issued for a violation of the traffic section of the City Ordinances or the Ohio Revised Code. Mayor's court can only try violations of City Ordinances. The Canton Municipal Court can try violations of both City Ordinances and the Ohio Revised Code. The Stark County Family Court handles all juvenile traffic violations.

Officers have the discretion to issue a written warning for a traffic violation instead of a citation. This is sometimes done for minor offenses, equipment defects, recently expired license plates, or any other offense where a warning will suffice to promote compliance with the traffic code. Warnings are kept on file and the warning file is checked when a driver is stopped by an officer. This helps ensure that the same person does not receive multiple warnings for the same offense.

Parking tickets are issued for various violations of the Parking Ordinance. These include but are not limited to handicapped parking, fire lane, overtime, and no parking zone violations.

Yearly Issuance Comparison - Totals

Year	Traffic Citations	Written Warnings	Parking Tickets
2000	2241	2379	1271
2001	2332	3467	1237

Traffic Crash Investigation

The Police Department investigated a total of 614 traffic crashes in 2005. This is a decrease in the number investigated the previous year. The Police Department investigates almost all of the reported crashes that occur within the City. Occasionally a Stark County Sheriff's Deputy or Ohio State Patrol Trooper will happen upon a crash in the City and handle it.

The Department investigates crashes that occur on public (roadway) and private property.

When the investigation indicates that a violation occurred on roadway accidents a citation is normally issued. Citations are not normally issued for private property crashes.

Crashes with a reported injury were down for 2005. Fortunately there were no fatal crashes during the year.

The majority of the crashes occurred between the hours of 6:30 AM and 10:30 PM.

The most heavily traveled streets in the City also recorded the highest number of crashes for 2005:

- North Main Street, 142, a large portion of which occurred in the 1000 to 1600 blocks.
- South Main Street, 74, the majority occurring in the 1200 to 1500 blocks.
- East and West Maple Streets, 49, a large portion in the 2000 block of East Maple.
- Applegrove Streets NE and NW, 42, the majority in the 100 blocks.
- Everhard Road SW, 34, with over half occurring in the 100 and 700 blocks.

These numbers include the 88 intersection accidents, which were evenly spread out amongst 50 different intersecting streets in the City.

The reduction of traffic crashes continues to be a priority for the Department. Targeting high incidence areas for enforcement of the traffic laws is one of the ways we attempt to do this.

There were 172 reported crashes on private property during 2005. Of these, 5 resulted in an injury of some type. The major cause for the private property crashes was improper backing. Many of the crashes occurred at our larger retail establishments such as:

- The Acme lot at 1474 N. Main St.
- The Marc's Plaza at 1664 N. Main St.
- The Giant Eagle Plaza at 1955 East Maple St.
- The Gabriel Brothers Plaza at 5800 Whipple Ave.
- North Canton Hoover High School at 525 7th St. NE

CRASH INVESTIGATION

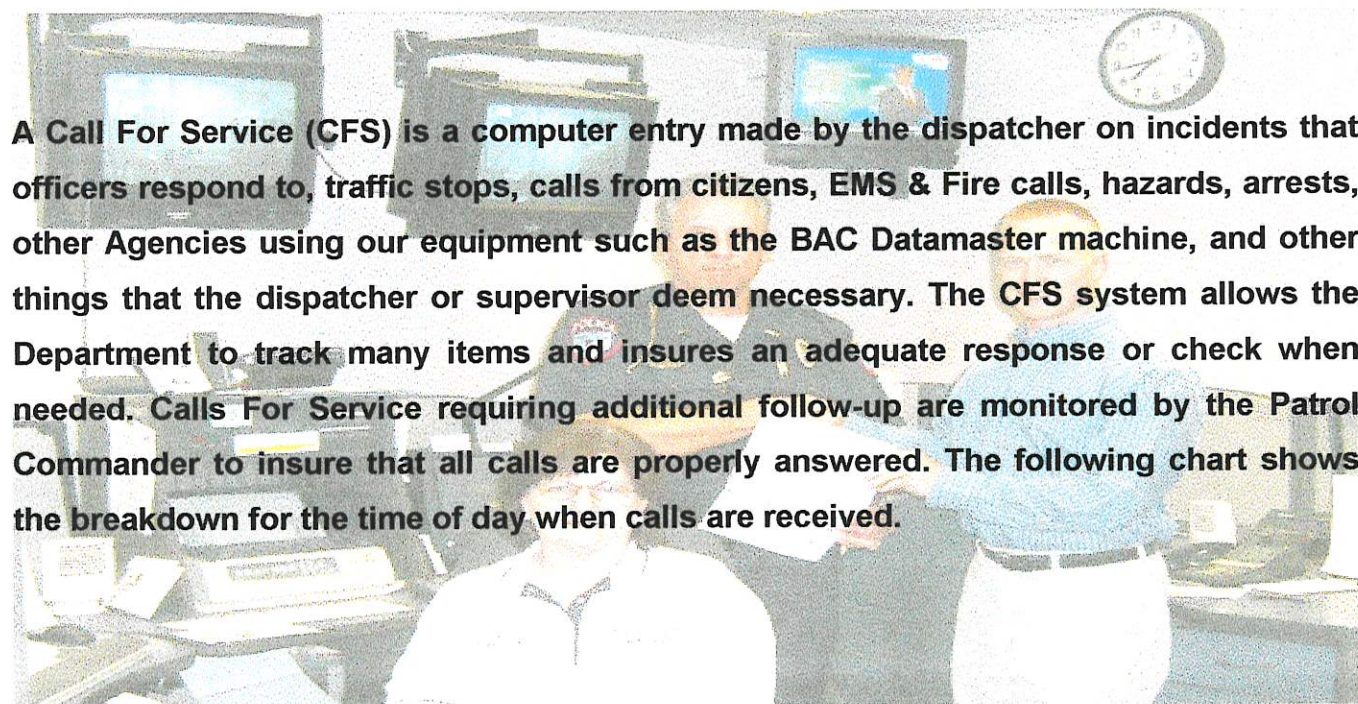

S.M.A.R.T. Trailer

The Department utilizes a **S**peed **M**onitoring **A**wareness **R**adar **T**railer to conduct traffic surveys, monitor speeds, and remind motorists of their speed. The trailer consists of a radar unit and a large numeric display, which shows the motorist's speed. During 2005 the trailer was placed at various streets around the City on a daily basis during the spring and summer months. Information compiled regarding traffic speeds, volume, times of use, etc. aids the Department in focusing on problem areas. It is also used to do traffic counts which aid in making changes to existing traffic controls, adding or deleting them, and substantiating complaints in trouble spots.

Calls For Service

A Call For Service (CFS) is a computer entry made by the dispatcher on incidents that officers respond to, traffic stops, calls from citizens, EMS & Fire calls, hazards, arrests, other Agencies using our equipment such as the BAC Datamaster machine, and other things that the dispatcher or supervisor deem necessary. The CFS system allows the Department to track many items and insures an adequate response or check when needed. Calls For Service requiring additional follow-up are monitored by the Patrol Commander to insure that all calls are properly answered. The following chart shows the breakdown for the time of day when calls are received.

Calls For Service by Time of Day

Calls For Service	2001	2002	2003	2004	2005
6:30 AM – 2:29 PM Day Shift	14,869	14,790	14,078	13720	13994
2:30 PM – 10:29 PM Afternoon Shift	16,269	16,044	14101	13475	12727
10:30 PM – 6:29 AM Night Shift	9,419	8,315	7026	6668	5574
Yearly Total	40,557	39,149	35,205	33863	32295

Alarms

The Police Department received 897 alarm calls from 388 sites during 2005. This is a decrease from the 1063 alarm calls from 408 sites in 2004. These sites range from private residences to retail and commercial establishments. These alarms can be anything from a basic burglar alarm to a hold-up / panic alarm. The vast majority of these alarms were false or accidental. However each must be handled as a real alarm for the protection of the officer as well as the public. This is a very time consuming process for the Department and utilizes a large amount of resources. Steps are taken by the Department to reduce the number of false alarms by working with those locations that have a high number.

Alarm Calls By Year

Top Five Business Alarms

Year					
2001	Marc's Discount Store 30	Camelot Music* 26	Subway & Mercy Medical Statcare 22	Citizen's Savings Bank, Arrowhead Country Club & Clark Gas Station 20	Charter One Bank 19

2004	National City Bank 36	Mercy Medical Statcare 29	Bank One, Subway, Arrowhead CC, N.C. Med. Foundation, & Aultman Foundation 15	Sky Bank 13	Marc's & Hoover High School 10
2005	Marc's Discount Store 25	Kmart 23	Charter One Bank 18	Tractor Supply Co. 17	Mercy Medical Statcare 15

*The Camelot Music alarm comes into our Dispatch Center however the building is located out of the city and is responded to by another Police Dept.

Drug Abuse Resistance Education

The Police Department currently has Patrolman Michael Foltz assigned full-time to the Drug Abuse Resistance Education (D.A.R.E.) program within the school system. In addition to the 5th grade DARE program he teaches a personal safety program to 1st grade students, and a safety belt program to 3rd grade students. There were also two Gang Resistance Education And Training (G.R.E.A.T.) summer camps held during the summer school break.

The 04-05 school year saw 417, 5th graders complete the DARE program and 415 3rd graders complete the safety belt program. There were 140 students who attended the G.R.E.A.T. summer camp. Since 1992 there have been 5578 graduates from the DARE program.

The Department received a grant from the State of Ohio this year for the DARE program in the amount of \$14734.00. This money was applied toward wages for the DARE Officer.

The 3rd grade safety belt program is run through the Ohio Department of Highway Safety.

School Resource Officer

S. R. O.

The Department also has Patrolman Randy Manse assigned part-time as a School Resource Officer (**S.R.O.**) He works within the schools on a daily basis as a liaison between the Department and the School System. He handles most school related incidents and works closely with the school administration to resolve problems.

Special Response Team

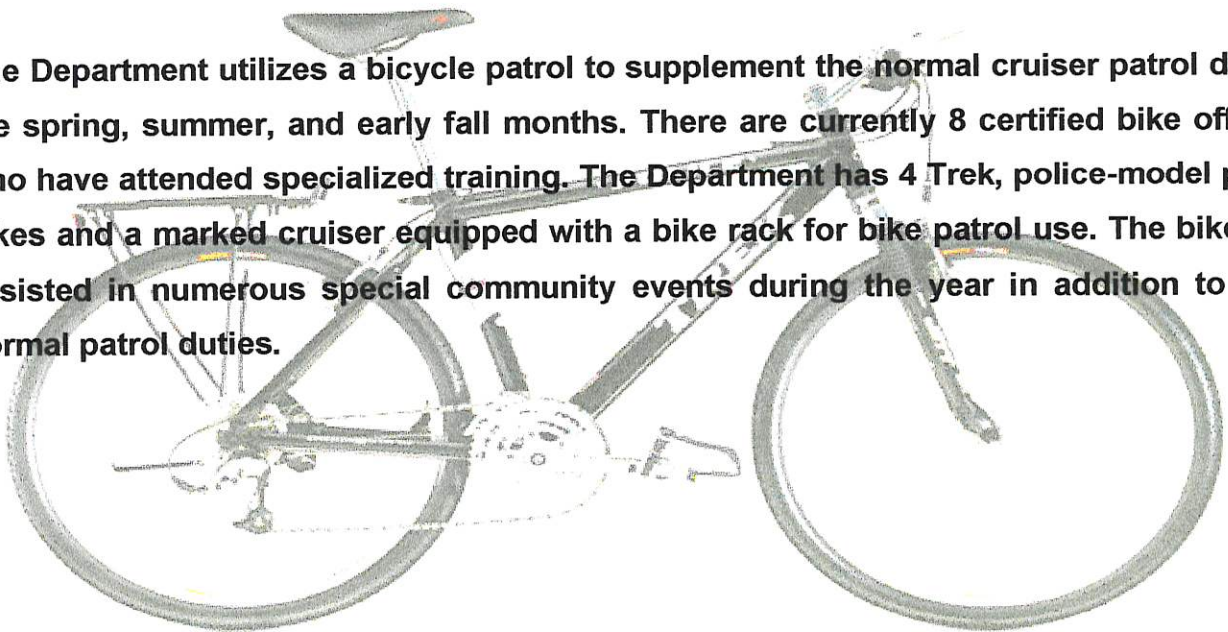

The Department has a Special Response Team (S.R.T.), which is staffed by a Lieutenant and nine Patrolmen on a part time basis. They train monthly with specialized equipment in various tactics to handle situations that are beyond the normal police call. They are tasked with a wide variety of assignments ranging from serving high-risk search and arrest warrants to barricaded gunmen calls.

Bike Patrol

The Department utilizes a bicycle patrol to supplement the normal cruiser patrol during the spring, summer, and early fall months. There are currently 8 certified bike officers who have attended specialized training. The Department has 4 Trek, police-model patrol bikes and a marked cruiser equipped with a bike rack for bike patrol use. The bike unit assisted in numerous special community events during the year in addition to their normal patrol duties.

Property Room

The property room is staffed by two Patrolmen and a Lieutenant on a part-time basis. They are the evidence custodians of the Department. Any evidence or property taken into custody by the Police Department is processed through the Property Room. Items taken in range from criminal evidence, like drugs or firearms to recovered property such as a lost bicycle. At any given time there are over 1200 items being held by the Department. During 2005 over 700 items were processed by the evidence officers. Items no longer needed for Court are returned to the owners. Items are released on a continuous basis, over 200 in 2005. Many items are contraband and are destroyed. Useable items for which no owner can be found are sold at the annual City auction. During 2005 a Court authorized destruction was conducted at Republic Steel Corp. Well over 150 items were melted in one of the large steel furnaces. The items ranged from firearms to drugs.

Department Training

The Department has several certified instructors who conducted various training classes during the year. These included but were not limited to firearms, less than lethal weapons, subject control, legal update, radar, laser, video, and L.E.A.D.S.

Additionally all Officers attended training outside the Department. This training covered a wide variety of topics including B.A.C., Drug I.D., CPR, O.V.I. detection, Traffic Crash Investigation, SWAT, Public Records, Internal Investigations, Interviewing, Background Investigation, Management, Legal Updates, Officer Survival and continuing Chief's Training.

The Department also has a Field Training Unit that is responsible for the training of all new Officers. It is staffed on a part-time basis by a Lieutenant and five Patrolmen / Field Training Officers.

Changes and Notes of Interest For 2005

- 
- The Department made a switch to all blue uniforms complete with a newly designed arm patch. The Dispatchers also changed to embroidered shirts. This is the first major uniform change since the early 80's.
 - Patrolman Frank Kemp was awarded the Distinguished Service Officer Award by the North Canton Jaycees
 - Patrolman Michael Foltz was chosen by the Ohio Elk's Organization as the Robert E. Powell Drug Awareness recipient of the year.
 - New equipment and capabilities added by the SRT Team.
 - Major upgrades to the Departments computer system.
 - Sam's Club donated \$2500 to the Department for computer upgrades.
 - The Communications Center was updated with new equipment including new TTY software replacing 20-year-old equipment. This will allow faster more efficient communication between dispatchers and members of the public who are hearing and/or vocally impaired.
 - Dispatchers received in-service and outside training to improve their skills.
 - Members attended various outside training classes and seminars.
 - Four new cruisers were purchased to replace four older ones.
 - LED light bars were added to the new cruisers.
 - One internal affairs investigation conducted with two officers exonerated and one found to have violated a minor departmental rule. This was down from the four investigations in 2004.
 - Various policies updated and new ones implemented.

"We Never Walk Alone"

A fine art painting by Paul Miller based on the National Law Enforcement Officer's Memorial in Washington, DC. It is intended to remember those heroes lost in the line of duty.

Just as the adult lions watch over the lion cubs at the memorial, those that have given their lives watch over those of us that continue to serve, while we watch over our community.

The information used in the preparation of this report was obtained from the records of the North Canton Police Department, The Federal Bureau of Investigation 2004 Uniform Crime Report and the public domain via the Internet. Compiled by Lt. Scott Denniss #30 NCPD on 03-08-2006.

February 1, 2006

TO: Chief Michael J. Grimes

FROM: Detective Lieutenant Stanley B. Strausser

RE: Detective Bureau Statistical Information

Please find attached statistical information on the investigations conducted by the Detective Bureau in 2005. During the year the Detective Bureau became involved in approximately 163 investigations, 132 that were criminal cases. As of this date, February 1, 2006, four of these cases are still actively being investigated.

It should be noted that the number of investigations in 2005 decreased from 2004. We initiated 212 investigations in 2004, 184 that were criminal cases. It should also be mentioned that we conducted only one internal investigation in 2005 as compared to four internal investigations in 2004.

We did handle some notable cases in 2005. We investigated one fraud case (Case # 0500078), which involved more than 30 victims. The suspect was brought back from Florida and convicted of felony theft. We were also involved in two child pornography investigations in 2005. In one of these investigations (CFS # 0501759) we assisted the U. S. Postal Service and U. S. Customs Service in executing a Federal search warrant. Numerous child pornographic photos were found and Federal authorities subsequently charged the suspect. The second investigation (Case # 0500020) was conducted by our Detective Bureau, and resulted in a felony conviction on the suspect. A final noteworthy case was the investigation of the rape of a four-year-old girl (Case # 0501500). The juvenile suspect was subsequently charged and convicted.

Please find the attached log sheets and tables with more detailed statistics. Should you need any additional information or explanation, please contact me.

Respectfully,

Lt. Stanley B. Strausser

2005	9	9	0	0	0	2	0	7	0	1	0	0	1	0	0	0	0	0	0	1	1	0	1	22.22 %

*Disposition of Criminal Cases:
 1 = Cases that were "Cleared" (Cleared means that the case has been closed, usually for some legal reason)
 2 = Cases that were determined to be "Unfounded"
 3 = Cases that were not solved, and placed on "Inactive Open" status
 4 = Cases that are still "Active Open" and being investigated

** Disposition of "Cleared" Criminal Cases:
 1-A = Cleared by filing charges or getting a Grand Jury Indictment
 1-B = Cleared by referring the victim/s to the prosecutor's office
 1-C = Cleared because the case was referred to another agency
 1-D = Cleared, but no criminal charges were filed
 1-E = Cleared by assisting the Patrol Division in solving the case
